PROGRAMME

Wednesday: Individual arrival.

Arrival and check-in at the event hotel "GRAND HOTEL DINO", Baveno.

Reception and travel documents at the Welcome Desk in the foyer.

Evening: Welcome drink, briefing, welcome dinner.

Thursday:

Drive out a total of approx. 190 km, over winding mountain roads (up to 1675 m) in Piedmont. Our destination is the northernmost point of Piedmont that can be reached by car!

Here one of the highest waterfalls in Italy, the "CASCATA DEL TOCE", thunders down to the valley. The Toce waterfall is one of the most spectacular in the Alps and can be admired from a wooden viewing balcony above the thundering masses of water. In the mountain restaurant, Laura and Fabio spoil us with typical Italian and homemade pasta specialities, and we toast the successful attractions of the day with red wine and water! After a winding downhill drive and along the panoramic lakeside road we reach the "GRAND HOTEL DINO" in Baveno.

The evening is free for you to discover one of the many restaurants for yourself.

Friday:

Ride a total of approx. 90 km. In the morning, the event route navigates us along the shore of Lago d'Orta, which lies parallel to Lake Maggiore, with far-reaching views of the lake and, in front, of the snow-covered lake Alps.

The ride leads to the "ALESSI OUTLET CRUSINALLO DI OMEGNAI", in the "VIA PRIVATA ALESSI". In two groups we will be guided exclusively through the museum and the product exhibition and a presentation will reveal little secrets about the diverse Alessi products and their designers. Or did you know that none other than Salvadore Dali was part of the design team for a while? We continue on the route to culinary authentic experiences over the mountains for lunch at the Italian family restaurant "LA CAPANNINA DI GRASSONA". The reviews in Google write unanimously of the "... Insider tip for the best Italian food, ever ...". Let the Italian family surprise you and welcome you. Welcome from the Italian family.

You will find a suggested route from here back to the event hotel in the on-board book.

The late afternoon and evening are at your disposal.

Saturday:

Departure approx. 145 km. We start again from the "GRAND HOTEL DINO" and drive on the panoramic lakeside road along Lake Maggiore towards the south, through the beautiful valley and lake landscape in Piedmont. Less mountainous and winding today, but we are rewarded with far-reaching views.

Even if you are already a cheese lover: Do you know under which conditions Gorgonzola is produced, how much manual work is involved from processing to wrapping in the gold foil?

You will learn all this and much more during our factory visit to the "LATTERIA DI CAMERI". In two groups we will be guided through the cheese production and after the visual impressions we will enjoy the creamy Gorgonzola variations Dolce (mild) or Piccante or with Mascarpone, pure or as a perfect ingredient in small dishes, for lunch at the "LATTERIA DI CAMERI".

Continue to "Ghemme", in clear weather we are overwhelmed by the view of the "Monte Rosa" with its snow-covered main peak, the Dufourspitze. (At 4634 m above sea level, it is the highest point in Switzerland and also in the entire German-speaking area, as well as the second highest mountain in the Alps and Western Europe after Mont Blanc).

We will visit a start-up winery, "CANTINA LA PIEMONTESE", which was only founded in 2012 and stands out from the traditional wineries due to its inventiveness and innovative wine-making. We are welcomed in the architecturally unusual visitor centre and guided through the wine cellar in groups.

Snack on the afternoon antipasti and taste the small fine wine selection of the young entrepreneurs. In the shop, the tasted wines can be ordered for home ...

In a happy mood, head straight for the final dinner in the "STALLA DEL CAVALLO" (horse stable) of the "GRAND HOTEL DINO". Buon appetito!

Sunday: Check out, departure
